

GANES

Global Alliance for Leadership
in Nursing Education and Science

Second International Conference

December 9-11, 2010

Ritz Carlton Hotel, Pentagon City

Arlington, Virginia, USA

Come network with colleagues from around the world while exploring issues connected with the global challenge of increasing capacity and ensuring sustainability in the nursing workforce.

Abstracts are invited for presentation under one of the following themes:

- Developing academic leadership capacity
- Increasing strength through international collaboration: Stories from the field
- Fostering innovation and excellence
- Politics of nursing education and research
- Leadership roles in academic environments for the 21st Century

Abstracts will be accepted for papers, posters and symposia. Papers must be 15 minutes in length with 5 minutes for questions, and symposia will feature groups of three or more related papers – generally 80 minutes total including questions. Abstracts will be accepted in English and French with a maximum of 200 words. The Abstract Review Committee will assess all submissions against the following criteria:

- Relation to conference themes
- Creativity and innovation
- Applicability and utility
