

Educating the Future Nursing and Health Workforce: a Global Challenge

Call for Abstracts

**The first international conference sponsored by:
Global Alliance on Nursing Education and Scholarship**

October 1st—3rd, 2008

Toronto, Ontario, Canada

Deadline for Submission is May 1st, 2008

Abstracts are invited for presentations under one of the following themes:

1. Preparing students for global mobility
2. Developing and educating for evolving nursing and health professional roles
3. Developing leadership capacity in nursing and health
4. Supporting changing skill mix in health care
5. Exploring innovative approaches to support learning
6. Developing faculty capacity
7. Developing and educating for interprofessional healthcare
8. Preparing for ethical and cross cultural collaboration

Presentations should focus on examples of successful initiatives, evaluation data or an analysis of key challenges.

Abstracts are accepted in English and French with a maximum of 200 words. The Abstract Review Committee will assess all submissions for either concurrent sessions or poster presentations. They will be assessed based on the following criteria;

- Relation to conference themes
- Creativity and innovation
- Applicability and utility

For further conference information please see attached document

Abstracts will only be accepted via our online submission process at www.ganes.info

We do not cover any expenses or fees related to attendance or presentation, all presenters must pay full conference fees.
